### Texas Will Host National Donkey, Mule Show at Dallas

The Texas State Fair will be graced  
by a larger and more active mule and  
donkey show than ever before in 1978.  
The American Donkey and Mule Society  
National Show is being hosted by the  
Southwestern Donkey and Mule Society  
and The State Fair of Texas, October  
21, 22, 1978.

This is planned to be the largest and

### Pan-Am Livestock Expo Features Will Include Cattle, Horses, Mules, Dogs, Donkeys, Sales, Shows, Top Rodeos

Dallas - While the Pan-American Livestock Exposition and Junior Livestock Show set records in shows and sales at the State Fair of Texas "Celebration-Texas Style" October 6-22, exciting contests between mules, donkeys and sheep dogs will add fun and entertainment.

Annually breeders and business men fly from over the world for the events in the enormous streamlined modern Livestock Pavilion and cattle building, a fitting showcase lighted to show the true colors of the animals and ventilated for livestock comfort.

The Santa Gertrudis show will be the largest ever held in the world. The Brahman is second largest and the record-breaking Dairy Show will exceed 800 head.

The Pan-American will have nine broods of beef cattle on display and six purebred beef cattle, October 6-10.

Dairy cattle will include Brown Swiss, Southwest Regional Holstein, Jersey, Guernsey and Milking Shorthorn broods, October 12-15. During these dates visitors can view the second National Chianina Show and Sale, October 12-15, and the Simmental which has its own classification for the first time.

Larger groups of sheep, swine and Angora goats will be on display, October 7-15.

Rural Youth Day, Saturday, October 14, will bring some 60,000 youngsters to take over the fair grounds as they march, sing and stuff on cut-as-you-go food between thrilling Midway rides. This banner day follows the Friday, October 13, Honor Award dinner at 7 p.m.

### Fed Cattle Uneven, Near Steady at Major Markets Monday, Hogs Easier

Slaughter cattle supplies were a few hundred below those of a week earlier on Monday and hog numbers were up to 3,500 head. Trade in most categories were confined to rather narrow ranges, with fed cattle steady, to weak at most points and pretty much the same picture was noted on slaughter hogs. Cows and bulls were generally steady to stronger, some spots higher. Price trends, quotations on choice and prime steers and heifers and the mixed good and choice grades and on U.S. 1-3 hogs sealing mostly 200 to 280 pounds included:

Steers \$52.50 to \$56.50 and \$52.50 to \$54.25; heifers \$50.50 to \$53.00 and \$49 to \$51.50. Hogs firm to 25, spots 50, higher at \$50 to \$52.  
St. Paul fed cattle steady. Steers \$53 to \$53.50 and \$52 to \$53; heifers \$51.50 to \$53 and \$50 to \$51.50. Hogs steady to 50, lower at \$50 to \$51.50. Sioux Falls steers \$50.75, lower; heifers 25-50, lower. Steers \$53.25 to \$54.50 and \$52.25 to \$53.25; heifers \$51.50 to \$53 and \$50.25 to \$51.75. Hogs steady to 25, lower at \$50 to \$52.50.

Omaha: steers 50 to \$1 lower and heifers 50-75, lower. Steers \$54 to \$56.50 and \$53.50 to \$54.25; heifers \$51 to \$53 and \$49 to \$51. Hogs steady to 25, lower at \$50 to \$51.50. Sioux City fed cattle weak to 50, lower. Steers \$54.00 to \$55.50 and \$53.75 to \$54.50; heifers \$51.50 to \$53 and \$50 to \$51.50. Hogs steady to \$50.50 to \$51.75.

Juliet steers steady to weak and heifers steady to firm. Steers \$54 to \$56 and \$52 to \$54; heifers \$51 to \$53.50 and \$49.50 to \$51. Hogs weak to 50, lower at \$49.50 to \$51.25. Peoria fed

ners, quality and conformation. Grand champion awards and ribbons will be presented to winners in classes for pleasure riding horses, open cutting and Quarter horses, Appaloosas, golden Palominos, colorful Paint Horses and graceful Arabians. The Pony of Americas shows for small but majestic Appaloosas will be Sunday, October 16. The first National Donkey and Mule Show, October 21-22, will include a Mule Pulling contest, Halter and fun classes. Trophies from the Southwestern Donkey and Mule Society will be awarded to the Mule, the Donkey and the Youth of the Year.

The 260-acre park is being readied for some 3,000,000 expected visitors who will celebrate at the Pulitzer prize-winning musical, "A Chorus Line" in the Mule Hall, outdoor stage entertainment, college football games, the colossal 1979 Automobile Show, parades, fireworks displays, the daily 3-ring circus, contests and exhibits galore with more than 200 food stands.

best organized National Show in the 8-year history of the event. Entries are expected from all the Southwest states, and from as far away as Georgia, Montana, California and Oregon, as well as many Midwestern states. Over 60 classes in two days will represent almost every facet of donkey and mule activity from pleasure riding to packing.

The mule judge is Ralph Chittin of Hicknell, Ind. Chittin has raised, shown, and judged mules and jackstock all his life, and has judged several of the National Shows in the past. His opinion is highly respected and much sought after.

Donkey Judge is Leon Clark of Martinsville Ind. Clark has raised, judged and shown Shetland ponies, donkeys and mules for many years. He was an original board member and one of the

founders of the American Donkey and Mule Society and the A.D.M.S. National Show. He has hosted the show many times in his home community and at his farm.

The American Donkey and Mule Society National Show is the only donkey and mule show which is sponsored and sanctioned by a National donkey and mule club. This club was founded in 1968 and has worked, in cooperation with the regional clubs such as the Southwestern Donkey and Mule Society, to develop the donkey and mule as a recreational animal.

## October Designated Cooperative Month

Austin-October is Cooperative Month in Texas and across the nation as proclaimed by most of the country's governors. Governor Dolph Briscoe, in his official proclamation, urged the people of Texas to give special recognition to the constructive and responsible roles of agricultural cooperatives in the economic progress of our State.

"Texas has more than 400 cooperatives operating and serving over 180,000 members", according to Bruno Schroeder, Executive Vice President of the Texas Federation of Cooperatives. "These cooperatives are doing a business volume of almost 1.7 billion dollars annually", he said.

Cooperatives in Texas range from farmer-owned grain elevators and companies to marketing, supply and credit organizations. Health, housing, insurance, electric, telephone and other service cooperatives are becoming more and more important to all Texas citizens.

"Cooperative Month", said Schroeder, "is a good way to remind the people of Texas just how important cooperatives are to our well-being."

### THE SIX ESSENTIALS OF BEEFMASTERS

1. FERTILITY
2. WEIGHT
3. DISPOSITION
4. MILK PRODUCTION
5. HARDINESS
6. CONFORMATION

The Hix Ranch classifies all of its Hix Mixer cattle itself using the six essentials laid down by the Founders-fertility, milk production, weight, hardiness, disposition and conformation. We believe there is no man who can look at a 12-month-old heifer and tell whether or not she possesses these six essentials. Therefore, our classification (since it is voluntary) is the Hix brand and our prefix name, Hix Mixers. We stand on behind four generations of confinement. Our cattle are what we say they are and what you say they are by seeing our herd and putting your own classification and price on them.

**LJ Bar Beefmaster  
2-Day Sale Is Record,  
Grosses \$518,275**

Pleasanton, Texas — The LJ Bar Beefmaster Sale turned out to be a history making sale by being the first half-million dollar sale in the history of the Beefmaster breed. Capacity crowds from several states and Mexico attended the two day sale as Bert & Ruben Reyes auctioned 254 lots for \$518,275 to average \$2,040. Leo A. Jaski, owner of LJ Bar Beefmasters stated that the large crowd and excellent prices is an indication of the tremendous acceptance that the Beefmaster Breed has among both the purebred breeders and the commercial cattlemen of the U. S. and Mexico.

The highlight of the auction was the sale of 22 cows with heifer calves at-side for an average of \$3,010. Twenty cows with bull calves at-side for an average of \$3,332.

The 37 open yearling heifers averaged \$1,540; top ten pairs averaged \$4,240; and top 25 pairs averaged \$3,332.

Some of the great ranching families in the United States and Mexico purchased the 121 bulls in the sale for an

average of \$1,930. The high selling bull went to Wicker Beefmasters of Beeville, Texas for \$15,000. Williamson Beefmasters from Alabama purchased a herd bull prospect for \$7,900. Mickey Johnson from Comanche, Okla. purchased two bulls for \$3,500 and \$2,500 each. Gene Thompson from McNeil, Miss. purchased two bulls for \$3,000 and \$2,400. Rancho La Perla purchased 20 bulls with a high individual at \$3,900. Enrique Garcia of Conception, Texas purchased a young bull for \$3,000 and Stacy Beefmasters of Big Food, Texas bought one for \$2,700. Berry Beefmasters of Corpus Christi purchased five herd sire prospects for an average of \$2,000. The top ten bulls averaged \$4,730. The top 25 bulls averaged \$3,250 and the top 50 bulls averaged \$2,580.

The high selling pairs went to 4L Beefmasters of Sandia, Texas for \$6,400. The high selling bred female sold for \$3,050.00 to Lazy M Beefmasters of Mabank, Texas. The two high selling open heifers sold for \$2,000 each to Thompson Bros. of Louisiana, and Everett Beefmasters of Corpus Christi. A. J. Rod of Houston was a major female buyer.

Major buyers of the sale were: Dun

**Pioneer Santa Gertrudis  
Breeders Assn. Sale  
Scheduled Oct. 5**

Agua Dulce, Texas — The Pioneer Santa Gertrudis Breeders Association has scheduled Thursday, Oct. 5, as the date for their annual sale. The setting for this prestigious offering of high quality animals will be the historic Rancho La Puerta de Agua Dulce, located near Agua Dulce, Texas, which is owned by Mr. and Mrs. Belton K. Johnson.

For many years this sale has been recognized as one in which only the extreme tops from the herds of Association members have been consigned and sold. According to B. K. Johnson, "The ten breeders providing cattle for this sale do so with the full realization of the high standards of quality set by the founders of this Association. They are all dedicated to the improvement of Santa Gertrudis cattle and have committed themselves to selling the best sixty animals available, including herd bull prospects and replacement females."

The Pioneer Breeders consigning cattle are as follows:  
Briggs Ranches, Chaparral Ranch, Connally Ranches, El Colina Ranches, John Martin Ranch.

## National 4-H Week Scheduled Oct. 1-7

Nearly 6.5 million young people across the nation—more than 100,000 of those in Texas—will observe National 4-H Week, Oct. 1-7. Activities will center on the theme, "4-H—Freedom to Be."

President Jimmy Carter called the theme "most appropriate for a program which is reaching out to all young Americans—rural and urban—from every cultural, economic and social background."

"For many," he said, "4-H is opening doors to a lifetime of personal growth and fulfillment in learning—by doing, through educational projects and through community involvement ef-

for. 4-H is providing useful guidance and direction to young people and making them more responsible and sensitive adult citizens.

"National 4-H Week is set aside annually by the Cooperative Extension Service to focus attention on the values of 4-H as an informal educational program for boys and girls 9 to 19 years old," said Dr. John T. Pelham, state 4-H and youth leader with the Texas Agricultural Extension Service.

"The program's learning-by-doing philosophy encourages young people to acquire 'real life' skills and develop citizenship and leadership abilities," noted Pelham.

Most 4-H members are enrolled in locally organized clubs on a year-round basis. Others take part in 4-H through special interest groups, nutrition education programs, instructional television, international programs, short-term activities and camping.

Louisville, Ky.—The Kentucky Beef Cattle Association's 1978 Fall Feeder Calf Sales will run from October 2, 1978 thru Nov. 16, 1978, with a total of 34 separate sales, with about 37,000 head to be sold.

The cattle offering is fresh off the farms and all cattle will be penned by breed, sex, weight and grade. No bulls, stags, blind calves or obviously pregnant heifers will be included in the offering.

The sales are sponsored by the Kentucky Beef Cattle Association with the cooperation of the University of Kentucky. For information contact Jack Crowner, Kentucky Beef Cattle Association, 606 Phillips Lane Louisville, Ky. 40209, 502/361-4074.

## Stuph & Thangs

(CONT. FROM PAGE 1A)

Arabs. Sadat is still playin' his cards close to his vest and it appears he will get back some big chunks of territory now held by Israel and may well finger half a loaf beats outlin'.

So much for Carter's Mideast "Dream". It seems obvious that the Israelis have no intention of givin' back any of th' better real estate they won in th' 1967 war and while some progress has been made th' Arabs & Israelis snt about to kiss & make up any time soon and th' 2,000 Years War is still alive & kickin'.

All th' time this was goin' on th' civil war in Nicaragua was windin' down with dead rebels all over th' landscape and President Somoza appeared firmly in th' saddle again. This is another in Carter's bit of turpin policy, since until Carter came on th' scene Somoza had been considered a strong American friend and had been gittin' all kinds of aid, includin' guns and tanks. He had been considered a safeguard agin any possibility that Castro & Cuba might get a foothold there and some knowledgeable people consider this revolt as Cuba's fine Indian hand med-din' agin.

There is mutch weepin' & wallin' over th' slaughter of th' rebels and innocent bystanders, but it is one of th' unfortunate facts of life that when you start shootin' at somebody, there is always th' possibility they will shoot back. In which case, your chances of gittin' shot at & hit are better than average. It appears Carter has been tryin' to squeeze Somoza and promote his civil rights ideas in Nicaragua and now we have another nice mess in furin affairs to try to straighten out.

Buttin' on other country's private problems and fuses is a whole lot like intervention in a battle between a husband & wife. Your chances of improv'n' the Situation are slim & none and you are also likely to come outta it with less than whole skin.

Ever thine,  
The Editor.

P.S.: Uncle Dunk advises not to make any plans on spendin' your Tax Cut money jst yet. Th' way Congress is goin' about this it'll jst be another transfer of funds. They will take a little less here and take a little more there and th' music sound good, but you can't put it in th' bank. Dunk says where some of th' Big Labor boys are threatenin' to pull their pension funds outta banks & companies in efforts to slow industry moves to more favorable locations and to help organize some big non-union plants. If th' Union Bosses start managin' their own Pension Funds it'll be bigger and better replay of th' Teamster Pension Fund raids. Rank & file workers had better watch this one closely. Dunk figgers th' way Carter's social & business reformers have tried to run roughshod over everybody is probably one of the healthiest things that ever happened. People polid say there is too much regulation and too much unnecessary regulation. Th' margins are from 58% to 87% in favor of less Burocratic bossism. Another miracle — Thassall Brothers.

**NCA Criticizes EPA's  
"Public Participation"  
Proposals, Payola Seen**

(CONT. FROM PAGE 1A)

relative to "improving EPA regulations." NCA President Richard A. McDougal said the proposals could result in "prejudicial and encumbered testimony under the guise of public input" - to say nothing of still more costly government bureaucracy and red tape. He also questioned whether parts of the public participation plans were even legal or in compliance with Congressional intent.

McDougal noted the value of improving and making more democratic the rulemaking process. However, he added, "giving the people the opportunity to participate is one thing, while and requests for advance registration and Astro Village Hotel reservation cards should be sent to Brahman Clinic V, Rt. 2, Box 232, Wharton, Texas 77488. Further information is available from Joyce at that address, or by calling 718/687-2212 or 718/342-2088.

subsidizing such participation with tax dollars is quite another. NCA is unequivocally opposed to the latter because of the inherent danger and practices embody for the democratic process.

The EPA proposal would include financial aid for costs incurred in presenting views, organizing public meetings and soliciting more comments. A danger, McDougal said, is a perversion of powers. An administrative would be free-in fact, encouraged-to subsidize advocate points of view and lead a prejudicial and encumbered record under the guise of encouraging public input. Furthermore, there is the obvious opportunity to subsidize the existence of advocate individuals and groups through consulting fees and grants of financial aid. In its simplest form, this type of subsidization could lead to "payola." In its more extreme form, it can seriously erode the foundation upon which the country is built.

"Adopting the stance set forth in the proposal will build a body of professional litigants who utilize the US treasury to pay for expressing their particular points of view. Public funds should not be used to pay the expenses of self-proclaimed experts, consumer or environmental activists, so-called 'poor' people or 'small' operators, or any other such individual or group any more than public monies should be used to pay expenses of established organizations, like NCA, which speak for small, medium, or large operators and interest groups. The individuals involved in these groups are petty and others who wish to be heard should be treated on the same basis. After all, equal treatment is a requisite of a democracy.

"NCA takes the position that all citizens should be given the opportunity to speak and appear before the government, but the government certainly should not pay some of us any to do so." NCA recommended dropping the current plan for "public participation" and assigning to an existing staff position at the Secretary level the duties of working with the various agencies to assure that the public is given an opportunity to participate.

was 3% higher than a year ago and 4% above two years earlier. Market hog inventory totaled 411 million head, 1% below both last year and two years ago.

The June-August 1978 pig crop in the 14 states totaled 18.7 million head, slightly below the previous year but 2% above two years earlier. There were 2.60 million sows farrowed in these states during this period, virtually unchanged from the corresponding period in 1977 and 3% above the June-August 1976 period.

Litter size averaged 7.20 pigs for the three months, compared with 7.23 a year earlier and 7.32 for the same period two years ago. A smaller litter combined with conception problems reduced the expected pig crop for this quarter.

Producers in the 14 states intend to have 2.64 million sows farrow during the September-November 1978 period, 8% more than a year ago and 8% above the 1976 period.

Farrowing intentions for the Deep South (1978-February 1979) quarter are placed at 2.65 million sows 8% more than a year earlier.

That's what Weldon Vann of Vann-Roach Cattle Co. says about the cattle that are bought for their customers in Western states. "These customers will pay a premium for the crosses during the summer months. The crosses

seem to be hardier, faster growing type animal, especially during extreme hot summers. We're also sending a greater percent of crosses to places like Kansas, Colorado, Nebraska and Northern Oklahoma. On our personal cattle we try to buy cattle with some Brahman influence. We have found a good market outlet for these type of animals."

Vann-Roach Cattle Co. of Fort Worth is one of the largest order buyers in the country and will handle about 300,000 head this year. This firm buys only on order, never on speculation, using their own buyers at at least 15 markets per day.

**AVOID CHANGING WELL LEATHERS  
FOR MANY YEARS**  
Perma-cups are molded urethane,  
more wear resistant than nylon.  
Perma-cups will outlast leathers 10  
to 1. Their tapered design allows only  
1/8" wearing, instead of 5/8" of a leather.  
Much less friction for easier  
pumping extends cylinder life greatly.  
Perma-cups must be used in a good  
or new cylinder, as they do not swell.  
Install Urethane Perma-cups, Urethane  
Check-balls, and Urethane  
Pump Rod-guides, and don't buy  
that well for many years. Thousands  
are in wells that have not been re-lea-  
thered in 5 years! All are available in  
standard cylinder and pipe sizes. Write  
or call for our catalog. We ship same  
day order is received. This is our 28th  
year serving ranchers.

**Rangelands Improvement Clears Committee**

Washington—The Senate Energy National Resources Committee has voted 14 to 2 to approve a bill that provides for a method of determining grazing on public lands in the West and which authorizes federal funds for "improvement" of public rangelands. The legislation is strongly supported by livestock industry organizations. Speaking for the National Cattlemen's Assn., Public Rangelands Improvement Act, the committee vote as a "significant step toward passage of the bill before Congress adjourns in October."

**Would an Unbelievable product make a believer out of You?**

**The Product is KaMaR**

It has made believers out of thousands of beef and dairy breeders throughout the world who have put it to work to detect heat with the kind of accuracy that assures a successful A.I. season.

**Try it. You'll believe!**

Take the work and worry out of heat detection. Discover how A.I., together with KaMaR's "unbelievable" accuracy, will put your herd on the producing team.

**Save Time! Save Money!**

Time is money KaMaR cuts "heat watch" time, saves manpower. Check only mornings and evenings for red detectors to let you know when cows are ready to be bred.

KaMaR's the proven one. Quick, easy and low cost. No altered bulls to buy and feed. No ink wells to fill. Apply at start of breeding season. Watch for red detectors.

### Flying V Simmental Sale Sept. 30 Has Two Polled Heifers

Decatur, Texas — Myrt and Sue Vittow owners of Vittow Flying V Ranch will be hosts to their sixth Simmental production sale and second purebred and fullblood Simmental sale on Saturday, Sept. 30, beginning at 1 p.m. at the ranch four miles northwest of Decatur on U. S. Highway 287, or 89 miles northwest of Fort Worth.

The sale offering is a choice selection of purebred and fullblood Simmental. Myrt Vittow said, "The quality is even better than we have always had in our past sales."

Included will be three fullblood bulls by Signal and Abreco; one 31/32 purebred bull; one 15/16ths purebred bull; nine fullblood 100 percent Simmental cows with calves; two fullblood 100 percent bred cows; two 100 percent open yearling heifers; four bred 15/16ths purebred cows; two 100 percent open yearling heifers; four bred 15/16ths purebred cows; ten seven-eighths purebred cows with 15/16ths calves; 25 seven-eighths purebred bred cows; seven purebred 7/8ths open heifers and two polled scurred heifer calves at the sides of their dams.

One of the many things for which the Vittow sales have become noted is having all American Simmental Association registration papers at the sale site, ready for transfer to the new owners.

Vittow Flying V Ranch is completely modern equipped including a comfortable sale ring and telephone, 817/827-2814, for call-in bids or for use of buyers at the sale; a 3,000 foot sod landing strip for light planes to land and taxi to the sale barn; and ample pens for quick and thorough inspection of the cattle prior to the sale.

Vittow said persons flying into Dallas-Fort Worth Regional Airport will be picked up and returned if arrangements are made in advance. Assistance with reservations at the Starlight Inn (CONT. ON PAGE 6B)

Polled heifer that brought \$9,000 at Alexander Ranches' "Classified" Sale is shown with (from left) Hal Wilbank, manager — Villa Grove, Colorado unit; Cressie Alexander, Glenn Alexander, Alister Hunter, manager — Cormie Ranch Ltd., Tomahawk, Alberta (buyer) and G.D. Wheatley, general manager — Alexander Ranches.

### Polled Heifer Brings \$9,000 at Alexander "Classified" Sale

Cormie Ranch Ltd., Tomahawk, Alberta, paid \$9,000 for a five-month-old Simmental heifer at the Alexander Ranches' "Classified" Simmental Production Sale, September 9 at DeKalb, Texas. Cormie Ranch Ltd., Alister Hunter successfully bid for the polled heifer, one of the first Simmental females by Polaris to sell in North America.

Hunter said that Cormie Ranch, owner of the great Simmental sire Signal, was delighted to get the Alexander heifer and was looking forward to using her in its breeding program. The young polled heifer is out of an Irish import cow, Klara, and will stay at the DeKalb ranch until she is ready to go to Canada.

The "Classified" Sale was the scene of one of the largest fullblood Simmental bull sales ever held as 62 future Simmental bulls were sold (CONT. ON PAGE 7B)

# **R. A. Brown Sale Of Simmental & Quarter Horses Set Oct. 11**

Throckmorton, Texas — The R. A. Brown Ranch Simmental Bull and Quarter Horse Sale will be held Wednesday, October 11, 1978. Sale time is 1:00 p.m. at the ranch. The sale offering includes 5 full-blood Simmental bulls and 10 Simbrah bulls. Also selling are 15 two-year-old 3/4 and 7/8 blood bulls, 16 short yearlings, 40 long yearlings and 20 Quarter Horses.

## **Polled Heifer Brings \$9,000 at Alexander "Classified" Sale**

(CONT. FROM PAGE 4B) mental sires were brought through the sale ring. The bulls sold for a total of \$29,160 to bring a strong average of \$1,850. In all, 71 lots of pureblood, purebred and percentage Simmentals averaged \$1,630 for a total of \$115,615.

# **Wool & Mohair**

The bright spot of the sale was the large number of new buyers, an indication of the interest in the Simmental breed.

Buyers from five states and Canada bid on the cattle. Vernon Ward of Gainesville, Texas, paid \$2,500 for a son of Renz to take home the high selling bull in the sale. The volume buyer in the sale was Chosier Martin, Kat Creek Simmentals, Henderson, Texas, with 11 lots. Reynolds Land and Cattle Company of Tyler, Texas, purchased 5 lots.

National Wool Market Review, Sept. 22 (USDA) — Trading on domestic wool very slow, but inquiry good. Limited sales following sealed bid sale of last week were made at steady prices although no sales of 12-month wool confirmed in country trading. Upwards of 600,000 lbs were sold at mostly the same prices as received at the sealed bid sale with some deliveries scheduled through December. Approximately 100,000 lbs. of fall shorn mixed grade lamb wool sold in Texas from 76 to 85 cents grease FOB mostly 80 to 85 cents. Trading on Texas mohair slow with only 60,000 lbs. sold of 800,000 lbs. offered at sealed bid in Uvalde. Original hag adult ranged 5.08 on average to 5.35 on the line with one lot light burr at 4.74.

### Special Cow Sale At Brady, Texas Set For Oct. 7

Brady, Texas — The Annual October Special Cow, Cow and Calf and Bull Heifer Sale of the Cattlemen's Commission Co. at Brady, Texas is set for Saturday, October 7, 1978.

Selling will be 1,500 head of cattle. All cattle will be blood tested, pregnancy tested and aged. Cattlemen's Commission Co. offers 100 acres of pens, traps and completely modern facilities for the comfort and convenience of buyers and sellers.

If interested in considering your cattle to this Annual Special Cow, Cow and Calf and Bull Heifer Sale, contact Bud Harrell, Cattlemen's Commission Co., 915/597-3981 or 915/597-3719.

### A LOT OF BULL?

You bet.

Just ask Shorthorn producer Bob Fuller of Streembar Rock, Iowa. He reports bulls that are born unsteered, that weigh at 516 pounds and that gain 4.20 pounds per day on a 140-day test, and that weigh 1,109 pounds at one year.

Shorthorns have always had the ability to grade choice, so when you put it together here is a breed that does it all.

Through the efforts of ASA's advancement programs and study and research by individual breeders Shorthorns' improvement is happening all the time.

No fills... no fades. Just a breed that means higher profits for you.

And that's no bull!

### Replacement Cattle Prices More Stable During Past Week

### Take Diet-Health Matters Out Of Political Arena, NCA Speaker Says

Peoria. — Persons and businesses involved with animal agriculture should do everything possible to get diet health matters out of the political arena and back into the scientific arena, a National Cattlemen's Assn. spokesman said recently. The comment was made by Jo Ann Smith, Micanopy, Fla. chairman of NCA's product research, promotion and consumer relations committee, in a talk at a national agriculture seminar sponsored by the Illinois Grain & Feed Assn. and the University of Illinois animal science department.

### Special Program Bull Around Bull Performance

Brenham. — Cattlemen in South Central Texas who have questions about the value of performance bulls won't want to miss a special program here Nov. 3 beginning at 8 a.m. The South Central Texas Cattle Clinic VII, which will be held at the Brenham Livestock Auction, will offer a unique program bull around bull performance tested bulls and their offspring.

"Producers attending the clinic will receive actual performance information on long range sire-progeny descriptions under way in South Central Texas," points out Bill Thane, Washington County Extension agent and clinic coordinator.

In the demonstrations a high and low performance bull are being used to show the difference in performance between the two herds (the Mayfair Ranch in Washington County and the E.D. Ray Farm in Burleson County). notes Dr. John Spitzer, area beef specialist with the Texas Agricultural Experiment Station.

"The bulls were chosen because of little difference in desirability as to sire from a visual appraisal standpoint," explains Spitzer. "However, the low performance bull in the test weighed 501 pounds at 205 days and the high performing bull weighed 612 pounds at 205 days and 1,221 pounds a yearling."

Weaning weights of calves from both bulls will be compared along with yearling, feedlot and carcass data as well as clinical data. These points of comparison will be able to show the difference in the type of body and steers they have produced.

The area-wide program is being sponsored by the Texas Agricultural Experiment Station and the beef industry. The program building committee in Washington, Burleson, Brazos, Grimes, Waller, Austin, Fayette and Lee counties.

Legumes should be planted in the fall for late winter and early spring grazing, points out a forage specialist with the Texas Agricultural Extension Service. Legumes are high in protein, highly digestible, and can return some nitrogen to the soil. Legumes make rapid growth until late May or June. If allowed to make seed, legumes should come up voluntarily next fall.

Direct Feedlot Trade Opens Slow, Shaky Beef Trade Is Blamed

Amarillo, Sept. 25 (F.S.) — Trade opened moderate throughout the Panhandle area early Monday. Slaughter steers and heifers weak to 50c lower. Feedlots reported fair interest from most buying sources. Steers 5,000: Good and mostly choice, 70-80 percent choice, 2-4 1050-1125 lbs. 54.00-54.50. Heifers 2,000: Good and mostly choice, 2-4 975-925 lbs. 51.00-52.00. Couple loads good and choice 2-3 725-775 lbs. 51.00-52.00. Few loads good and choice 2-3, including some heiferettes, 1000 lbs. 48.50, 1 lot including cows 43.50.

Trade very slow throughout the Panhandle area Friday and over the weekend. Limited sales slaughter steers and heifers steady. Steers 200: 5 loads good and mostly choice, near 65 percent choice, 2-3 1100 lbs. 54.00. Heifers 2,000: 276 head choice 2-3 950 lbs. 52.55. Several loads good and mostly choice 2-4 875-1000 lbs. 52.00-52.50. Mixed good and choice 2-4 875-950 lbs. 49.75-51.50. 4 loads good and choice 2 750 lbs. 51.00.

Dodge City, Sept. 25 (USDA) — Trade quiet late Friday thru Monday. Not enough slaughter steer sales confirmed for an adequate market test; no heifer sales confirmed. Inquiry and demand light. Sales confirmed on 150 slaughter steers late Friday through 3:00 PM Monday. Steers: Few loads choice 2-4, mostly 8 1166 lbs. 54.75; load

choice with end good 1075 lbs. 54.50.

Groesby, Sept. 25 (F.S.) — Limited very slow over weekend and early Monday. Heifers are steady to 50c lower. Trade rather slow as buyers very cautious in the face of a weak undertone in the dressed beef market. Steers 350: Choice 2-4 1100-1175 lbs. 54.75-55.25. Heifers 1,700: Choice 2-4 940-1000 lbs. 52.25 to largely 58.00.

Omaha, Sept. 25 (USDA) — Nebraska Feedlot Sales 1,200. Slow. Very little trading as producers resist lower buying orders. Not enough movement to establish trend, very limited trading on dressed heifers, 50-150 lbs. good and mostly choice steers 600-800 lbs. hot carcass weights 88.00-87.00, 600-700 lbs. 85.00-85.50, heifers 400-700 lbs. 82.50-84.00.

Phoenix, Sept. 25 (USDA) — Direct trade on slaughter steers and heifers very slow over weekend and early Monday. No sales reported. Buyers taking a wait and see attitude because of labor problems in California that is affecting movement.

Texas Playboys at BBU Convention

Western swing, that exciting music of the western dance hall, is a subtle and compelling mixture of square dance, big band swing, blues, Mexican and country and hot jazz played mostly on string instruments. That is the music Brink's Brangus Universal conventioners will have as entertainment at the Friday night dance, Nov. 3, when the Original Texas Playboys tune up their guitars in the Lo Ball Ballroom in Dallas.

The legendary Texas Playboys were formed by Bob Wills in 1935, and with them created an entirely new form of American folk music that came to be known in the following decades as western swing. Now the music is coming back. It is being discovered by a whole new generation, while holding on to an audience of oldtimers and middle-aged folks.

The band is a collection of reassembled Texas Playboys from the various eras of the group's career. The Original Texas Playboys are now headed by

Leon McAllister, who joined the band originally in 1935.

BBU members and their families are urged to attend the convention, and to include the Friday night dance in their plans. With the Texas Playboys entertaining, there is something for everyone.

For centuries time kept marching on... now there are those who say it is running out.

**House Passes Tariff Deregulation Bill**

Kansas City - The U.S. House of Representatives has endorsed the need for deregulation of livestock marketing rates and charges with its September 19th passage of the Talmadge Tariff Deregulation Bill (S.8272).

Loran Casey, president of Livestock Marketing Association, which has spearheaded industry support for the measure, said that he and marketing leaders throughout the nation were "very gratified that Congress has recognized the need for change."

Casey said that the bill, which will give marketing businesses the right to charge for their services on a per head, percentage or combination basis, and allow them greater flexibility in setting the levels of their tariffs, now needs only the signature of the President to become law.

"We have every confidence that the President will also support the need to free marketing to do the kind of job to day's livestock industry demands," commented Casey.

In today's action, the House moved to table its nearly identical version of the tariff deregulation legislation (H.R. 9482), in favor of the Talmadge Bill. The Senate approved the bill, which amends the Packers and Stockyards Act of 1921, on July 18.

Falling to plan is the surest way to plan to fail.
